You are a hero(ine), Alexis! Thanks so much for all your outstanding work on this, over such a compressed time period and with lots of other things on your plate.

Carrie

PS I did chat with Mindy today and she did apologize for speaking for your time. We will mention to John next week as well.

Mary,

Please see the attached transmittal letter and memorandum on consultation requirements under the Endangered Species Act for state and tribal Clean Water Act Section 404 program approvals. Because we have determined that EPA's potential approval of the State of Florida's August 20, 2020 request to assume administration of the CWA Section 404 program may affect ESA-listed species or designated critical habitat, please initiate ESA Section 7 formal consultation with our federal partners as part of your review of Florida's application.

Regards,
Dave
